

*Arrowsic's Internet Service Provider (ISP) Axiom is now accepting early Broadband service sign-ups. Although service will not start for some time, call Axiom at (207) 271-2801 for an early sign-up and take advantage of a reduced connection fee of \$99 during network construction. **NOTE:** If you wait to sign up until 2024, your cost to connect to the network will likely be between \$400 and \$500.*

Subscribers can choose among 4 levels of service:

- 100 MB up / 100 MB down – \$49.99/month*
- 250 MB up / 250 MB down – \$79.99/month*
- 500 MB up / 500 MB down – \$109.99/month*
- 1 GB up / 1 GB down – \$149.99/month*

Your service agreement will be month-to-month with Axiom, though there will be restrictions on canceling and restarting during a 12-month period.

Axiom is the Town's Internet Service Provider (ISP), and they will handle all questions related to your service. You can also use the "Ask a Question" function on the ABA webpage, which can be found on the Town web page under Committees/broadband, or use the link below.
