

ARSWC Unofficial April 2, 2020 Meeting Minutes - via Zoom

Present:

Katie Smith, Ros Arienti, Jon Biehler, John Hinds, Paul Schlein, Bill Nickerson

Start time: 4:30

End time: 5:30

Roadside Clean up

Health Commissioner – did not think this was a good idea.

1) gathering of people

2) potential for contamination

Perhaps we should postpone. Katie will reach out to ACC.

Ecomaine and the presentation scheduled for our April meeting with Lissa

Are we ready to make any changes of providers at this time?

We can certainly do some information gathering

HHW May

Still on but there will be another update later this week.

Casella letter

“We understand the importance of continuing to provide essential services to our communities and businesses and to keep our facilities running. Our company plays a vital role in the country’s health and safety infrastructure. We take our responsibility to serve the public seriously, and we are prepared to do so even in challenging times such as these.”

More trashed produced during pandemic’

More consumption in home. People not going out to eat. People cleaning out their houses.

What happens if we go over budget?

Georgetown has stopped recycling – due to the virus

Resident Calls Dumping and possible solutions

- Stonetree Road – trash is left out at the end of the road on Thursday before a trash Friday. Every correctly done – cleaned out etc.
- Suggest that resident talk to the sheriff or have the Association meet and come up with their own solution. Maybe they could put up a sign – No Unauthorized Dumping

Annual Report and Budget

Reported and submitted

Next Meeting: *Thursday, April 16th 5:00 Zoom*

Respectfully submitted by Ros Arienti
