The General Election is Tuesday, November 3, 2020. Maine voters will select their choice for President/Vice President and elect one of Maine’s two United States Senators, Maine’s Representatives to Congress, members of the Maine Legislature, and certain county officers. Both in-person and absentee voting are available for the election.

In person voting will take place at Town Hall from 10AM to 8PM. For the safety of voters and election workers, the number of voters allowed in the building will be limited to maintain social distancing.

**Voters are encouraged to cast an absentee ballot instead of voting in person. Casting an absentee ballot is convenient and secure and will help to minimize interaction with others during this public health pandemic.**

The State online absentee ballot request service is now available from the Secretary of State’s website at: [https://www.maine.gov/sos/cec/elec/voter-info/absenteeguide.html](https://www.maine.gov/sos/cec/elec/voter-info/absenteeguide.html)

Please be aware that absentee ballots will not be delivered to municipalities until 30 days prior to the election; therefore, **absentee ballots will not be mailed to voters until the first week in October.**

Voted absentee ballots should be returned as soon as possible. Ballots may be returned by mail or dropped off in the secure mail slot at Town Hall. If you are returning your ballot by mail, please allow for postal mail delivery time. All ballots must be returned by 8PM on election day.
