IMPORTANT INFORMATION REGARDING ALL STATE REGISTRATIONS INCLUDING VEHICLE REGISTRATION AND RENEWAL

The State Legislature has approved emergency legislation, declaring a state of emergency. The legislation provides for the extension of vehicle registration, new and renewal, for 30 days after the end of the state of emergency. This applies to all auto, trailer, boat, ATV and snowmobile registrations, hunting and fishing licenses and dog licenses.

You may still renew all vehicles online using the state online renewal service, although this is not necessary until 30 days after the end of the state of emergency. You will need your old registration, a credit card and a printer. It is anticipated that it will take longer than usual to receive your new registration and stickers.

- **Vehicle Registration Renewal** may be processed online through Maine’s Rapid Renewal service.

- **ATV and Snowmobile Registration** may be processed online through Maine’s IFW ATV & Snowmobile Registration website
